Events scheduled on Friday 27 February will be completed on that day. Events scheduled for Saturday 28 February and Sunday 1 March may be cut on either or both days.
- 2) Entries in writing accompanied by entrance fees and a stamped self-addressed envelope must be lodged with the SEO prior to the closing date specified in the schedule. Entries unaccompanied by specified fees will not be accepted.
  - a) All entry fees must be forwarded to reach the RNCAS office by Friday 9 January 2015. Entry forms should be completed in full.
  - b) Late entries may be accepted in order of their receipt if other entrants withdraw and their logs become available.
- 3) An axeman who enters but who subsequently cannot attend may authorise another axeman to cut his logs, but the Society should be advised of any such arrangement as soon as possible after it is made. The axeman withdrawing should make his own arrangements to collect his entry money from the axeman taking his logs.
- 4) Refunds may be made when entry money has been paid, if applied for in writing prior to the closing date.
- 5) Competitors are entitled to receive one gate pass for each day of the Show. Passes and program of heat times will be sent out to competitors prior to the Show.
- 6) Member's entrance fee concession: Financial members may claim a 20% reduction on entry fees where total of entry fees is \$20.00 or more. Membership also entitles competitors to 1 Membership badge and 1 Guest badge and passes for children under 16 years for all days of the Show.
- 7) Parking is available for competitors at the northern end of the grounds off the Federal Highway. - 16) A veteran is a competitor 60 years of age or older.
- 17) For any events carrying total prize money of \$500 or more and which attract a number of entries which may otherwise result in an outright final, the Section Head may require that the event be cut twice and for the prizes associated with the event to be split as determined by the Section Head. The Section Head shall inform all competitors prior to the start of the event.
- 18) Where division events are scheduled, competitors shall be eligible to compete in one underhand division only for the duration of the carnival unless the Handicapper deems that their performance during the carnival merits their promotion to a higher division. Competitors may nominate for a specific division however the Handicapper may vary that nomination. The Handicappers decision will be final.

- 22) All persons causing annoyance by loud comments on the decision of the judges, or other insulting behaviour will, after having been cautioned by a member of the Committee, be expelled from the ground and liable to disqualification.   - b) Move out of arena immediately (if not competing), at the commencement of events and not to return until the Ring Steward has given an all clear after log inspection.

  - d) Remain outside the arena, unless setting up for an event.
- 23) Axe-trying should be restricted to the roped off area at the rear of the administration tent – uncut logs should not be removed from the storage area without the Log Steward's permission.
- 24) Other than for footholes and clampholes, competitors should not strike their logs in any way with their axes prior to the commencement of the woodchopping events.
- 25) Competitors and spectators must not enter the official tent or the special guest's enclosure unless on official business (e.g. entry queries, collection of prizemoney). Where the latter applies, they should leave these areas as soon as their business is completed.
- 26) Competitors are invited to join officials and sponsors in the guest's enclosure for refreshments at the conclusion of each day's program.
- 27) Whilst exercising reasonable care, the Society shall not be responsible for loss or damage to competitor's property.
- 28) All protests must be delivered to the Section Head no later than 10 minutes after an event on Show days, after which no protests will be entertained. Each protest must be accompanied by a fee of \$20.00 which will be forfeited at the discretion of the Committee if they consider the protest frivolous. Protests will be dealt with by the Section Committee as soon as practicable after the receipt thereof. Every protest must assign a definite reason for it being made. The Committee shall have the power to confer with Judges, Handicapper and other stewards if practicable in determining protests
