STRICTLY NO ENTRY BEFORE 9:00 AM ON MONDAY 23 FEBRUARY 2015

Camping sites for the 2015 ActewAGL Royal Canberra Show have dramatically changed due to changes to the physical grounds of EPIC and the needs of the RNCAS. Traditional camping locations may no longer be in existence. New camping sites will be developed to cater for the larger transport rigs. Every endeavour will be made to locate camping sites near where your horses are located.

Please ensure you read the site rules and requirements before applying for camping.

All applications for camping **must** be made at the same time as entering your horses for the 2015 Show.

Camping is only permitted for the period Monday 23 February 2015 from 9.00 am to Sunday night 1 March 2015. All campers must leave the grounds by 9.00 am Monday 2 March 2015.

Camping sites will be allocated according to the size of vehicles and camping facilities as specified when applying through the online system. A standard camping site is 10m x 3m, however larger sites will be created for larger size vehicles, with fees on a sliding scale. If your vehicle(s) or camping facilities when fully set up exceed 10m X 3m you are required to book extra space, sufficient to accommodate your vehicle(s) and all other equipment as set up. Ensure annexes are included in your measurements.

If your camping equipment exceeds your allocated space you will be moved to another location at the direction of the Camping Staff.

Every vehicle must be applied for when entering online to receive authorised camping stickers. **Vehicles must be housed only on the site booked. Any vehicle not authorised will be removed from the camping zones and moved to the offsite parking areas.**

Camping site costs – all sites are booked for the period 9 am Monday 23 February to Sunday night 1 March 2015 inclusive regardless of length of stay. Fees are payable in advance as per the table.

Electricity

Many vehicles require connection to more than one 10 amp power outlet. If you require more than one 10 amp outlet additional power can be supplied at \$30.00 per 10 amp outlet. Each power outlet paid for will qualify for an authorised tag to attach to your power lead. All leads must be provided by exhibitors and must have a current safety test and tag. **Unauthorised leads will be removed. Note: it is compulsory for ALL leads (even brand new leads) to have been safety tested & tagged before they can be used on the grounds.**

Camping Rules

At all times campers must abide by the directions given by the Camping Supervisor or their supporting staff. Failure to abide by the Camping Staff directions will lead to removal from the site. With over 5,000 campers each camping group must stay on their allocated space and not impinge on any other camp site or camping group.

When applying for camping via the online system, it is agreed that you have read and understood all camping rules and regulations and will abide by them.

CAMPING TABLE: SITE SIZES AND FEES

Site size	Powered	Non-powered
10m x 3m	\$245	\$140
12m x 3m	\$305	\$200
14m x 3m	\$365	\$260
Extra width required is available and is charged at \$100 per metre (powered or non-powered)		

How to work out your camping site requirements:

Camping on the grounds is in very high demand. There are restrictions on how many vehicles will be allowed. Exhibitors are entitled to request ONE camping ‘site’. A single site can accommodate ONE of the following 3 options:

1. One car/ute/4WD and one of the following: caravan *or* trailer/float *or* tent OR
2. One rigid truck *OR*
3. One articulated vehicle combination e.g. one towing vehicle & one horse float OR one complete gooseneck rig

Any additional car/ute/4WD, truck, tent, caravan, trailer or float is considered a ‘service’ vehicle and may not be included on this single site; exhibitors are to apply for a secondary site large enough to accommodate these extra vehicles/equipment and this site will only be allocated if there is sufficient space. If there is not enough room, extra vehicles can be parked in the public car park just outside Gate 8 at no charge (a pass will be provided). Powered and Non-Powered sites are not available as adjacent sites. You can book a powered camping site as your main camping site and a non-powered site as a secondary site to accommodate extra vehicles, but these sites will not be located together. Measure the vehicles that you wish to have parked on your main camping site. Work out the total space required then consult the table above to work out the fees payable when using the online system. Please note that ALL requested camping sites must be fully paid for at the time of entry.

Camping Rules: Camping is only permitted for the period 9.00 am Monday 23 February 2015 to 9.00 am Monday 2 March 2015.

Camping Refunds:

Exhibitors who withdraw from the Show up to 9.00 am Monday 23 February will be eligible for a refund of any paid camping fees less a booking fee of \$100. Refunds will only be paid if the Horse Section is notified in writing by the deadline specified. Exhibitors who withdraw after these deadlines or do not notify the society in writing by the deadlines, will not be eligible for any refund.

Every endeavour will be made to locate camping sites near where your horses are located. However, the layout of the grounds and stables means that many people will not be able to be camped close to their horses. Please ensure you read the site rules and requirements before applying for camping. All applications for camping must be made at the same time as entering your horses for the 2015 Show.

Vehicles allowed on the camping site will only be the camping equipment as specified for a single site. Every vehicle must be applied for at the time of entry to receive authorised camping stickers. **Vehicles must be housed only on the site booked. Any vehicle not authorised will be removed from the camping zones and moved to the public parking areas outside Gate 8.**

A compulsory drug testing levy per horse will apply and is incorporated within class entry fees. It is the intention of these regulations that all animals shall perform on their merits without the aid of drugs which will affect the conduct, performance or appearance of the animal.

An exhibitor shall not administer and shall procure that there shall not be administered to his exhibit any drug or substance herein call "a prohibited drug".

Prohibited drugs are substances originating externally whether or not they are endogenous to the animal and means any performance or behaviour of an animal by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculoskeletal system or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins. The result of such examination shall be reported to the Society.

An exhibit to which, in the opinion of a Veterinary Officer, a prohibited drug has been administered shall not be exhibited without consent of the Society and shall be removed from the Showground forthwith upon notice from the Society.

The Society may in its sole discretion and in the light of all information made available to it disallow or cancel the entry and any award made to the exhibit, without in such case being called upon to give any reason therefore.

The owner or any other person who was in charge of an animal to which a prohibited drug has been administered may be disqualified or otherwise penalised by the Society. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an animal in any event or class at the Show any drug as defined above or has in his possession any improper contrivance may be disqualified or otherwise penalised by the Society. Particular attention will be paid to the detection of sedative and tranquilliser groups of drugs but analysis for all classes of prohibited substances will be included. The collection of samples inter alia will always involve taking urine and/or blood.

An examination may include an examination for desensitised limbs. Any animal found to have a limb or part of a limb desensitised by any means will be considered to have competed under the influence of a prohibited substances and penalised accordingly.

The owner or his representative may be present during testing (in the case of Showjumping the rider must be present and becomes the authorised representative in accordance with FEI rules) but shall not interfere in any way with the conduct of the test, and will observe the instructions of the veterinary officer on duty. In the absence of the exhibitor and/or owner the Society recognises the rider, and/or handler and/or driver as the authorised agent of the exhibitor.

The Society and any servant or appointee of the Society shall not be liable to the exhibitor, owner or other interested parties, for the death of, or for any injury, damage or infection which may be sustained by an exhibit occasioned by or arising out of any act or omission of any servant, agent or appointee of the Society done or committed in the course of his examination whether due to the negligence of any such servant, agent or appointee or otherwise.

Any exhibit which has been brought to the Showgrounds and is found by the Board, CEO or other such authorised representative to have had administered a drug as defined above, the owner and any person who is in charge of the horse may be disqualified or otherwise penalised by the Society. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of a horse in any event or class at the Show any drug defined above, or improper contrivance may be disqualified or otherwise penalised by the Society.

STAY SAFE AT THE ActewAGL ROYAL CANBERRA SHOW

The Royal National Capital Agricultural Society is committed in providing a safe environment for all participants and spectators at the ActewAGL Royal Canberra Show.

Equestrian activities have one of the highest risks of serious injury and death compared with other sports, including motorcycle and car racing. Common sense and caution is needed when in the vicinity of horses. Please read the following to ensure a safe visit to the ActewAGL Royal Canberra Show.

Helmets

The wearing of protective headgear has been proved to have a major influence on the reduction of horse related injuries and the use of a properly fitted and fastened helmet when riding horses is compulsory for Junior Riders. Helmets must comply with current Australian Safety standards and are advised to be worn at all times whilst mounted. Helmets should be replaced after any moderate to severe blows or after the recommended replacement time specified in the information provided with the helmet. It is recommended that children involved with horses should wear a helmet at all times, mounted or unmounted.

Footwear

Sturdy boots must always be worn around horses. Human feet are easily crushed by a horse's weight if trodden on. Whilst mounted, riding boots should be smooth soled, heeled and with elastic siding, or be of a specialised long boot design.

Stirrups and other equipment

Stirrups should be 2-3cm wider than the riders boot whilst mounted. A foot caught in a stirrup can result in dragging, and Safety Stirrups should be considered for children and novice riders. All other horse equipment must be of a safe standard and in good working condition.

Always exercise Caution

Caution must always be exercised around horses, especially the hind legs, which are well designed for kicking. Children must not play in the vicinity of horses. Parents and guardians must ensure they are kept well separated. Riders and handlers should exercise extreme caution when riding in the presence of objects that could frighten the horse. Care should also be taken in the warm up area.

Showing the way

First established in Sydney in 1983, the Council has grown from just from one group into a Council that now has eleven direct member Affiliates in NSW and nine Interstate Constituent Affiliates, member numbers currently are in excess of 3,000. Training and other activities are conducted on a regular basis by the Affiliates with the National Sub Committee playing an important role in a more cohesive approach in Showing throughout Australia.

The Council is a proud Volunteer organisation dedicated to providing its members with a high standard of governance and opportunities in Competitions that range from local Shows to State & National Events. A big emphasis is placed by all Affiliates on supporting Childrens Classes & Training activities for their Junior Members.

Its peak event is The Grand National Championships, which has evolved into a highly acclaimed event that now extends over four days & two nights with three UK Judges providing a fresh opinion to those competing. The 2015 Grand National Championships will be held at S.I.E.C. on 26th to 29th March, visitors welcome with Gate Entry only charged on the Saturday.

NSH Registrations are administered from Show Horse Council Office at Richmond, visit the SHC website www.showhorsecouncilaust.com.au for access to the latest information, SHC documentation and Calendar of SHC Events.

REFER TO BY-LAWS

ENTRY FEES:

Group A Section 1	Single Section fee covers all section classes	\$160
Group A Section 2	Single Section fee covers all section classes	\$130
Group A Section 3	Single Section fee covers all section classes	\$110
Group B – Juniors	Single Group fee covers all group classes	\$70
Group C - Amateurs	Single Group fee covers all group classes	\$70
Six Bar	Entry fee	\$30

The competition will be conducted in four (4) groups as follows:

GROUP A – Sections 1, 2 and 3

Horses entered in Group A are not eligible to compete in Group B or C but may be entered in Six Bar.

Exhibitors should enter their horses into the appropriate Section (1, 2 or 3) rather than the individual classes. The section fee covers entry to all classes in that section.

Entrants must nominate each horse for the section that they consider suitable for the horse having regard to its grading, performances and EA performance points and pay the appropriate section entry fee. When entries have closed, the Horse Section Committee will review the nominations for each horse to satisfy itself that the nomination is appropriate. This may result in a horse being moved into a higher or lower section. If either of these things occurs, the entrant will either be required to pay a further amount to satisfy the entry fee or will receive a refund of any amount paid which exceeds the relevant entry fee. The Committee will limit the number of horses for Section 1 to 25 horses and for Section 2 to 30 horses based on performances. If the number of horses nominated and found suitable for Section 3 is considered by the Committee to be too great to enable the program to be conducted within the time available, the requisite number of horses will be selected based upon performances and the remainder will not be accepted. The courses for each section in Group A will be set at the heights indicated below and will be limited to horses that have the EA performance points indicated as at the date of close of entries :

- Section 1: Minimum 1.40 metres – Horses that have more than 60 points.
- Section 2: Approximately 1.30 metres – Horses that have between 31 and 60 points inclusive.
- Section 3: Approximately 1.20 metres – Horses that have 30 points or less.

NB: Horses may be entered in a higher section even if they have less points than indicated for that section.

Entry fees: for Group A Section 1: \$160
 Section 2: \$130
 Section 3: \$110

GROUP B

For horses to be ridden by a Junior rider which are considered by the Horse Section Committee to be of a standard sufficient to warrant their inclusion. The Horse Section Committee may at its discretion limit the number of nominations accepted into Group B in order to ensure that the program can be conducted within the time available. Group B competitors may only nominate a maximum of two (2) horses. The rider of any horses may not be substituted after the acceptance date, without the approval of the Horse Section Committee. This application must be made in writing and include the submission of a doctor's certificate or appropriate documentation. Horses entered in Group B are not eligible to compete in Groups A or C. Riders are Junior riders from the year of their 12th birthday to the year of their 18th birthday. Nominations for Group B must be made for this group as a whole and not for specific events and must be accompanied by the \$70.00 entry fee. Horses not accepted into Group B will have entry fees refunded. Group B classes will be set at a maximum of 1.20 metres. Entry fee for Group B: \$70

GROUP C

This group will consist of three events. The first two will be Amateur classes limited to amateurs who satisfy the Australian Amateur Ruling. The third will also be an amateur class subject to that Ruling but will also be a qualifying event for the Jumping NSW - 2015 Amateur Showjumper Of The Year Series.

Horses entered in either Amateur class may not compete in any Group A or B classes.

The Horse Section Committee will limit the number of acceptances for Group C to **40 horses**. After entries have closed, the Committee will select the 40 best performed horses and notify their nominators that they have been accepted. Entry fees for all horses not accepted will be refunded.

AUSTRALIAN AMATEUR RULING:-

1. Amateur Rider classes are classes for riders who:
 - have never competed in an Olympic Games or World Equestrian Games in either Jumping or Eventing;
 - in the past 10 years have not competed in a World Cup for Jumping Riders qualifying round;
 - have not competed in Section 1 or 2 at a Royal Show in Sydney, Brisbane, Melbourne, Adelaide or Perth in the two years prior to the date of close of entries; and
 - have never competed in a 4* 3 day event.
2. Athletes must meet the membership requirements as set out in the EA General Regulations.
3. Riders may compete as amateurs from the beginning of the calendar year in which they turn 21 years of age.
4. Amateurs may not compete in an Amateur class if they compete in a class higher than 1.20m at that show.
5. Amateur Riders may not compete in an Amateur class on a horse that will compete in any class higher than 1.20m at that show.
6. Organisers may at their discretion limit the number of horses a rider can start in an amateur class.
7. The course shall be free-flowing and relatively simple. The first obstacle in the first round should be 10cm lower than the advertised starting height of the competition.
8. There will be a maximum rise of 10cm for the jump-off.

JUMPING NSW - 2015 AMATEUR SHOWJUMPER OF THE YEAR SERIES.

Jumping NSW will again be hosting the Amateur Jumping Series throughout 2015.

ABOUT THE SERIES:

- An annual series of shows hosting qualifying events will run throughout the calendar year in NSW and the ACT.
- The horse/rider's six best performances will decide the series winner.
- Scores will be based on a horse/rider combination.
- The first 10 places in each competition will gain points. With the winner of the class gaining 11 points then 2nd 9, 3rd 8 etc down to 10th 1 point.
- Class heights in the first round might range between 1.15m to 1.20m depending on the type of arena, and the standard of the show. Indoor arenas can be first round 1.10m. This should be stated on the show schedules.
- Participants must meet the criteria of the National Amateur Ruling.
- All events will be AM5 Art. 238 2.2 (Jump off classes)
- The overall winner of the series will receive a rug and their name of the Jumping NSW Perpetual Trophy which they can keep for 12 months.
- The presentation of the winner will be held at the Summer Showjumping Classic CSI-W in December at The Sydney International Equestrian Centre.

Entry fee for Group C: \$70

Six Bar

Open to horses competing in Group A. The Horse Section Committee may at its discretion limit the number of nominations accepted into the Six Bar in order to ensure that the program can be conducted within the time available. Nominations for the Six Bar must be accompanied by the relevant entry fee. Horses not accepted into the Six Bar will have entry fees refunded.

Entry fee for Six Bar: \$30

Additional rules of competition:

1. Any alteration to the Program is at the discretion of the Chief Showjumping Steward and all decisions concerning acceptance of horses into any Group or Section will be final and not reviewable.
2. Owners are warned that failure to submit the EA Registration Certificate number of each horse entered in their name in a jumping contest will result in the elimination of their horse or horses from the contest.
3. Showjumping prize money will be paid during the Show.
4. Stallions must be stabled in loose boxes and these must be applied for by 7 January 2015. (See 'Note' below)
5. Dress Code: During competition and presentation of prizes, competitors must wear a red or black jacket or a hunting jacket, or the uniform of a recognised riding club, white or fawn breeches, black or brown boots or black top boots, a shirt and tie, or shirt and ratcatcher collar. On all other occasions—such as inspecting the course—riders may discard their jackets, but must present in a neat and tidy fashion in breeches, boots, shirt and tie, or ratcatcher. Members of the armed services and the police force may elect to wear service dress. The Ground Jury may permit competitors to wear waterproof coats when appropriate. When the air temperature is above 28° Celsius, riders may compete without a jacket. In this case, competitors must wear a dress shirt and tie. This shirt must have at least short sleeves. Long sleeves must be rolled down and buttoned. The shirt must be tucked into the breeches.
6. Alternate Dress Code: During competition and presentation of prizes competitors may compete without a jacket or tie, in a shirt with at least short sleeves, or with long sleeves rolled down and buttoned, or a polo shirt with the neck buttoned, of predominantly one colour (unless provided by sponsors, organising committees or EA). Both shirts and polo shirts must be worn tucked into breeches. White or fawn breeches, black boots or black top boots must be worn. On all occasions riders must be neat and tidy.

ENTRY FEES: As set out per Section, Group or class.

Performances are required for all nominations.

Please make sure you request camping and stabling at the time of entry. Late requests will not be accepted.

No entries will be accepted nor will horse substitutions be allowed after the closing date for entries.

NOTE: Loose boxes will be available for stallions and a number of showjumping horses (priority being given to Group A, Section 1 horses). These must be applied for by 7 January 2015. No refunds of stabling fees will be made after acceptances have been notified unless the relevant horse is scratched on the basis of a veterinarian's certificate as to unfitness.

NO STRAPPERS, COACHES, SPECTATORS OR RIDERS' FAMILY OR FRIENDS PERMITTED ON THE MAIN ARENA.

COACHES WILL BE PERMITTED ON THE MAIN ARENA DURING COURSE WALKS BUT THEY MUST THEN LEAVE THE ARENA WITH THE RIDERS.
