CAMPING BY – LAWS

ALL CAMPING ENQUIRIES WILL BE ACCEPTED BY EMAIL ONLY.

CAMPING SUPERVISOR HOURS DURING SHOW:

Sunday 19th February	3:00pm – 6:00pm
Mon 20th February to Sun 26th February 2023	6.00am – 6:00pm

STRICTLY NO ENTRY BEFORE 3:00 PM ON SUNDAY 19TH FEBRUARY 2023

Camping sites for the 2023 Royal Canberra Show have dramatically changed due to changes to the physical grounds of EPIC and the needs of the RNCAS.

Please ensure you read the site rules and requirements before applying for camping.

Please indicate on your entry form if you require Camping & Stabling. Payment will be required following notification of acceptance of entries. Camping & Stabling must be paid for by 5.00pm, Monday 16th January 2023.

Camping is only permitted for the period from 3.00pm Sunday 19th February 2023 to 9.30am Monday 27th February 2023.

A standard camping site is 10m x 3m; however larger sites are available for larger size vehicles, with fees on a sliding scale. If your vehicle(s) or camping facilities, when fully set up, exceed 10m X 3m you are required to book extra space, enough to accommodate your vehicle(s) and all other equipment as set up. Please ensure annexes are included in your measurements.

If your camping equipment exceeds your allocated space, you will be moved to another location at the direction of the Camping Staff. Every vehicle must be listed when entering online to receive authorised camping stickers. Vehicles must be housed only on the site booked. Any additional vehicles not authorised will be removed from the camping zones and moved to the offsite parking areas.

Camping site costs – all sites are booked for the period 3.00 pm Sunday 19th February to 9.30am Monday 27th February 2023 inclusive regardless of length of stay. Fees are payable in advance as per the table.

Electricity

Many vehicles require connection to more than one 15-amp power outlet. If you require more than one 15-amp outlet, additional power can be supplied at \$120.00 per 15-amp outlet. Each power outlet paid for will qualify for an authorised tag to attach to your lead. All leads must be provided by Exhibitors and must have a current safety test and tag.

Unauthorised & untagged leads will be removed.

Note: it is compulsory for ALL leads (even brand-new leads) to have been safety tested & tagged before they can be used on the grounds.

Camping Rules

At all times campers must abide by the directions given by the Camping Supervisor or their support staff. Failure to abide by the Camping Staff directions will lead to removal from the site. With over 5,000 campers each camping group must stay on their allocated space and not impinge on any other camp site or camping group.

When applying for camping via the online system, it is agreed that you have read and understood all camping rules and regulations and will abide by them.

CAMPING TABLE: SITE SIZES AND FEES

How to work out your camping site requirements

- Camping on the grounds is in very high demand. There are restrictions on how many vehicles will be allowed. Exhibitors are entitled to book ONE camping 'site'. A single site can accommodate ONE of the following 2 options:
- One car/ute/4WD and one of the following: caravan or horse trailer/float or tent OR
- One articulated vehicle combination e.g., one towing vehicle & one-horse float OR one complete gooseneck rig or Semi-trailer
- Any additional car/ute/4WD, truck, tent, caravan, trailer or float is considered a 'service' vehicle and may not be included on this single site; Exhibitors are to apply for a secondary site large enough to accommodate these extra vehicles/equipment and this site will only be allocated if there is sufficient space. If there is not enough room, extra vehicles can be parked in the public car park just outside Gate 8 at no charge (a pass will be provided). Powered and Non-Powered sites are not available as adjacent sites. You can book a powered camping site as your main camping site and a non-powered site as a secondary site to accommodate extra vehicles, but these sites will not be located together. Measure the vehicles that you wish to have parked on your main camping site. Work out the total space required then consult the table below to work out the fees payable when using the online system. Please note that ALL camping sites must be fully paid for at the time of booking.

Site Size approx. float size + vehicle	Powered Mon -Sun	Non-powered Mon-Sun
12m x 3m	\$345 x 1 power Cord 15- amp	\$245
14m x 3m	\$410 x 1 Power Cord 15-amp	\$310
Extra width required is available and is charged at \$120 per metre (powered or non-powered) for Awnings		
Additional Power: 15-amp 1 X \$120 This will be monitored any unauthorized power leads will be Removed		
Cost per person camping wrist bands - \$10		

*The above prices are inclusive of GST

Camping Refunds

- Exhibitors who withdraw from the Show up to 4.30pm on 31st January 2023 may be eligible for a refund of any paid camping fees less an administration fee of \$25.00. Refunds will only be paid if the Horse Section is notified in writing by the deadline specified. Exhibitors who withdraw after these deadlines or do not notify the society in writing by the deadlines, will not be eligible for any refund.
- Every endeavour will be made to locate camping sites near where your horses are located. However, the layout of the grounds and stables means that many people will not be able to be camped close to their horses. Please ensure you read the site rules and requirements before applying for camping. All applications for camping must be made at the same time as entering your horses for the 2023 Show.

The Chief Steward may at any time require a person who does not appear to be in full control of the horse whether driving, riding or leading any horse to either;

- dismount, or
- allow other persons to handle the horse, or

The age of a person is determined as at the first day of the Show (refer to "Age of Riders" table).

A child passenger in a horse-drawn vehicle must be 6 years of age and over and wear an appropriate safety helmet to standard and be accompanied by an experienced harness driver.

AGE OF EXHIBITORS

The age of Junior Riders will be as at the first day of the Show, Wednesday 22nd February 2023. All Riders must compete in an approved safety helmet.

AGE OF HORSES

A filly is a female horse under 4yrs of age. A colt is an ungelded male horse under 4yrs of age.

AGGRESSIVE ANIMALS

Aggressive or uncontrollable behaviour by any horse while under the control of the marshalling stewards or while competing in the arena will render the Exhibit liable for disqualification from the class or classes concerned and from acceptance for entry at future Shows conducted by the Society.

ANIMAL IDENTIFICATION

Registration/Horse identification certificates hard copies must be shown at the time of measuring.

ANIMAL SECURITY

Where an Exhibitor fails to properly secure any animal and bodily injury or property damage occurs, this may constitute a serious breach of insurance policy conditions and prejudice claims settlement.

<https://nominate.com.au/> and accompanied by card payment.

Entries must be lodged prior to the closing date for entries as specified on the schedule cover.

Entries received after the closing date as specified in the schedule, or entries received unaccompanied by the specified entry fees or registration papers will not be accepted.

All horses must be on the Showground by 7.00am on any day on which a Class in which they are entered is to be judged. Horses coming long distances, and have Stables allocated, may be stabled on the Showgrounds after 3:00 pm Sunday 19th February 2023. During the Royal Canberra Show, no horse is permitted to arrive on the grounds prior to 6am of the nominated stabling date. Any Exhibitor who arrives before 6 am will not be permitted onto the Showground.

No horses may be brought onto the grounds that are not competing at the Royal Canberra Show.

CANCELLATION OF THE SHOW

It is agreed between the parties that, if in the sole discretion of the Directors or the Chief Executive Officer or another authorised officer that the Show is to be partially or fully cancelled for any reason whatsoever, the Exhibitor shall not pursue the Society for the recovery of lost income or damages. This complete bar to an action applies to all headings of Law, whether it be Common Law in Contract or Tort or pursuant to any State, Territorial, or Commonwealth Statute Law. It is acknowledged by the Exhibitor that the Society has no duty to have a Show in any particular year and that this Clause operates as a complete defence for the Society to any such action.

CHAMPIONSHIP AWARDS

In Championships Classes, all first prize winners in the nominated Classes must parade.

For the Reserve Championship, all first prize winners in the nominated Classes, except the winner of the relevant Championship Award, together with the second prize winner from the Class which was won by the Champion, must parade.

For the Supreme Championship, all Championship winners from the nominated sections must parade.

Exhibits will only be excused from parading for Champion or Reserve Champion in the case of:

Horse Exhibits - on the production of a certificate from an RNCAS Veterinary Surgeon stating that the Exhibit is unfit to parade.

Riding Competitors - on the production of a Doctor's Certificate stating that the rider is unfit to parade.

Failure to parade when eligible for a Championship, Reserve Championship or Supreme Championship shall render the Exhibitor/Competitor liable to a Penalty of \$150 plus the forfeiture of prize money, ribbons or trophy that may have been awarded in the Class which qualified the Exhibitor/Competitor for the Championship Class.

If a Champion shall be disqualified or shall be found to be unqualified to compete in the Class for which it was entered or to compete for the Championship, then the Award shall be withdrawn. No other Exhibit shall be entitled as of right to the Award, but the Committee may with or without the advice or recommendation of the Judge, decide whether the Award shall be awarded and if so, to which Exhibit.

CHAMPIONSHIP COMPETITIONS

Competitors who have multiple entries eligible for Championship competitions will be permitted to compete with each of their Exhibits. Competitors must present their Exhibits with properly attired riders/handlers into the ring and will be permitted to change onto their other horses for their individual workouts. Competitors should advise the Red Coats and Ring Stewards to allow for an orderly display of their Exhibits.

CHIEF HORSE STEWARD

The powers of the Society, its Board and its Chief Executive Officer described in these General Rules have been delegated, in the respect of the Horse Section, to the Chief Horse Steward.

The Chief Steward may from time to time delegate these authorities.

CONDITIONS OF ENTRY

Exhibitors must adhere to the Special Horse Regulations in this Schedule (the "Regulations"), as they are bound by these terms.

A condition of entering competitions is strict adherence to the Regulations. Accordingly, Applications for Entry in the name of deceased Person(s) are not eligible for entry.

The Application for Entry and the Regulations constitute the whole agreement upon which Entries are submitted and the Exhibitor agrees that all representations and statements not appearing on the Application for Entry or in the Regulations are excluded.

The Exhibitor certifies that each animal exhibited by them or by their child/children/guardian is duly registered and either their property absolutely or is under their absolute care and control.

The Exhibitor holds the RNCAS exempt from any liability in the event of any loss or damage from any cause whatsoever.

The RNCAS has the power to evict any Exhibitor from the Showground in the event of a breach of the Special Horse Regulations in the 2023 Royal Canberra Horse Show Schedule.

SCHEDULE CONDITIONS

Conditions printed in the Schedule relative of Class breed or group of classes will be observed.

SCORE SHEETS

It is the absolute discretion of the Judge and the Chair of the Horse Committee as to whether Scoresheets are posted at the completion of a Class.

SPECIAL HORSE REGULATION

If there is any inconsistency between Special Horse Regulations and any provision appearing hereafter in this Schedule, the applicable provision(s) of Special Horse Regulations will prevail.

SPONSORSHIP PRIZES

Prizes are provided by third parties and the RNCAS advises that any such prizes may be subject to change or amendment occurring at any time, thereby making the original information published incorrect.

RNCAS will not be held responsible for a Sponsor or third party failing to honour their agreement.

STABLING

The RNCAS will allocate stables to each Exhibitor according to the number and composition of the exhibitor's Exhibit(s).

An Exhibitor will be taken to have vacated and to not require a stable that has been allocated to that exhibitor if, by 8am on the day of allocation, the stable has not been occupied by an Exhibit.

No Exhibitor has any right to use or occupy any stable or portion of the Showground not allocated to him/her from time to time by the RNCAS and shall forthwith vacate same upon being requested so to do by any Official of the RNCAS.

Any horse found in a stable not allocated to such horse shall if so, required by any Official of the RNCAS be immediately removed from the Showground and shall not again enter the Showground except with the written consent of the Chairman of the Committee.

Stables are to be used for the stabling of horses only. No exhibitor has any right to use or occupy any stable for any other purpose, such as accommodation, storage of fodder, bedding or tack. Any Exhibitor acting in breach of this Regulation will be fined a Penalty of \$200 for each stable per day and may, at the discretion of the Committee, be disqualified from competing at the then current Show. In such an event any Award that the Exhibitor may have won at that Show is also forfeited.

Exhibitors residing within a 100 km radius of the Showground are unlikely to be provided with stables in the initial allocation, but every endeavour will be made to accommodate these nominations should withdrawals permit.

For each Exhibit that has been allocated a stable, a Stable Bond Cleaning fee of \$100 per stable applies. If you fail to fully clean your stable out on departure, the nominated credit card will be charged.

No horse(s) may be brought onto the grounds that are not competing at the 2023 Royal Canberra Show. Subject to all your stables being left in a satisfactory condition and the tack room lock being intact - for broken or damaged stable panels or canvas screens, a fee of \$50 will be deducted from the stable deposit.

- Any Exhibitor acting in breach of the Special Horse regulations may, at the discretion of the Committee, be disqualified from competing at the then current Show. In such an event any Award/prize money that the Exhibitor may have won at that Show is also forfeited.
- Exhibitors must provide their own feed & water bins and shavings for horses stabled on the Showground. Shavings are ordered on-line prior to the Show.

Stabling will be allocated according to availability. The Stabling Manager is the reference point for stabling of multiple Exhibits from different Exhibitors together where possible. This list must be provided by the COB 31st October 2022 via email with the list of Exhibitors to be stabled together (where possible) to horse@rncas.org.au

STABLE ALLOCATION

Stabling is from 6.30am on the nominated arrival day and you must vacate your stable(s) by **6.00** am on the nominated departure day. Anyone leaving Sunday during the day will have a vacate date of Monday morning, otherwise, you will be locked out Sunday morning.

Stables **must be fully cleaned out of ALL BEDDING** on your departure or the stable cleaning fee will be debited. Stables need to be checked off by staff by presenting your Breastplate Number at the office. Staff will sign off on your cleaned stable.

A stable cleaning fee of \$100 applies if stables are not cleaned out completely of all bedding: stables will be inspected on departure.

Stable Fees will be payable upon notification by the RNCAS. Fees include GST.

Notification of stable allocations will be emailed to Exhibitors by 16th December 2022.

Please note that stabling is **NOT GUARANTEED**, and allocation is at the discretion of the Horse Committee.

A compulsory drug testing levy per horse will apply. It is the intention of these regulations that all animals shall perform on their merits without the aid of drugs which will affect the conduct, performance or appearance of the animal.

An Exhibitor shall not administer and shall procure that there shall not be administered to his Exhibit any drug or substance herein call "a prohibited drug". Prohibited drugs are substances originating externally whether or not they are endogenous to the animal and means any performance or behaviour of an animal by its action upon the central or peripheral nervous system, the cardiovascular system, the respiratory system, the alimentary digestive system, the musculoskeletal system or the urogenital system and shall include analgesics, anti-histamines, anti-inflammatory agents, blood coagulants, diuretics, hormones and their synthetic counterparts, cortico-steroids, anabolic steroids, local anaesthetics, muscle relaxants and tranquillisers and vitamins. The Society may at its discretion cause an examination to be made of an Exhibit by a Veterinary Officer who in the course of such examination may make by such methods as he may determine such tests and take such samples from such Exhibit as he deems necessary or advisable. The result of such examination shall be reported to the Society.

An Exhibit to which, in the opinion of a Veterinary Officer, a prohibited drug has been administered shall not be exhibited without consent of the Society and shall be removed from the Showground forthwith upon notice from the Society.

The Society may in its sole discretion and in the light of all information made available to it disallow or cancel the entry and any award made to the Exhibit, without in such case being called upon to give any reason, therefore.

The owner or any other person who oversaw an animal to which a prohibited drug has been administered may be disqualified or otherwise penalised by the Society. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of an animal in any event or class at the Show any drug as defined above or has in his possession any improper contrivance may be disqualified or otherwise penalised by the Society. Particular attention will be paid to the detection of sedative and tranquilliser groups of drugs but analysis for all classes of prohibited substances will be included. The collection of samples inter alia will always involve taking urine and/or blood.

An examination may include an examination for desensitised limbs. Any animal found to have a limb or part of a limb desensitised by any means will be considered to have competed under the influence of a prohibited substance and penalised accordingly.

The owner or his representative may be present during testing but shall not interfere in any way with the conduct of the test and will observe the instructions of the veterinary officer on duty. In the absence of the Exhibitor and/or owner the Society recognises the rider, and/or handler and/or driver as the authorised agent of the Exhibitor.

The Society and any servant or appointee of the Society shall not be liable to the Exhibitor, owner or other interested parties, for the death of, or for any injury, damage or infection which may be sustained by an Exhibit occasioned by or arising out of any act or omission of any servant, agent or appointee of the Society done or committed in the course of his examination whether due to the negligence of any such servant, agent or appointee or otherwise.

Any Exhibit which has been brought to the Showgrounds and is found by the Chief Steward or other such authorised representative to have had administered a drug as defined above, the owner and any person who is in charge of the horse may be disqualified or otherwise penalised by the Society. Any person who at any time administers or causes to be administered for the purpose of affecting the performance of a horse in any event or class at the Show any drug defined above, or improper contrivance may be disqualified or otherwise penalised by the Society.

This judging timetable is subject to change at any time. The RNCAS accepts no responsibility if judging times conflict with one or more Classes or events in which an Exhibitor may be entered.

Where conflict does occur, it is the responsibility of the Exhibitor to notify withdrawal from either event.

Should a horse ceases to be eligible to compete in the class or classes entered for any reason other than height, an application for transfer or re-classification may be made in writing to the Ring Secretary for decision by the Chief Horse Steward or Deputy on duty.

Should the eligibility of a horse to compete in a class in which an entry has been accepted, be questioned prior to the judging of the class the Ring Secretary and/or Ring Steward will so advise the Chief Horse Steward or his Deputy on duty before the judging of the class is completed.

Judges and Ring Stewards are not authorised to consider applications for transfer or reclassification or to make any additions or alterations to the information contained on official class cards.
